

Siddharth Patel

Siddharth.patel@gmail.com | +91 9876543214 | Mumbai, India

EDUCATION

B.Tech Computer Science

IIT Bombay | 2018 - 2022 | CGPA: 8.1

SKILLS

DevOps: Docker, Kubernetes, Jenkins, CI/CD, Ansible

Cloud: AWS (EC2, S3, Lambda, RDS), Azure, GCP

Scripting: Python, Bash, Shell

Monitoring: Grafana, Prometheus, ELK Stack

Tools: Git, Terraform, Helm

OS: Linux, Ubuntu, CentOS

EXPERIENCE

DevOps Engineer | CloudBase Tech | August 2022 - Present

- Managed Kubernetes clusters for 50+ microservices with 99.99% uptime
- Reduced deployment time by 70% through automated CI/CD pipelines
- Implemented auto-scaling policies saving 30% infrastructure costs

PROJECTS

1. Automated Deployment Pipeline

End-to-end CI/CD pipeline with Jenkins, Docker, Kubernetes enabling zero-downtime deployments

Tech Stack: Jenkins, Docker, Kubernetes, Helm, AWS

2. Cloud Cost Optimizer

AWS Lambda function analyzing resource usage and automatically rightsizing instances, saving \$5000/month

Tech Stack: AWS Lambda, Python, Boto3, CloudWatch

CERTIFICATIONS

- AWS Certified DevOps Engineer - Professional
- Certified Kubernetes Administrator (CKA)
- HashiCorp Terraform Associate
